Introduction

Important Information About Your Provider Directory

Always check your provider's status.

This provider directory lists Home and Community Based Service Providers in our network you can use to get care. This provider directory is current as of the date on the front cover, but listing a health care provider does not guarantee their continued status as a participating physician or health care provider.

We have made every effort to ensure a correct listing, but errors can happen with a directory of this size. Always check to see if your provider accepts UnitedHealthcare before you get care by calling Member Services, **1-800-587-5187, TTY 711**. Member Services is available Monday – Friday from 8:00 a.m. to 6:00 p.m. We will be happy to help you.

Home and Community Based Service Providers listed are independent contractors and do not work for UnitedHealthcare. UnitedHealthcare pays Home and Community Based Service Providers every time they see one of our members and provide a covered service. This is known as “Fee For Service.” We pay hospitals and other types of providers in the UnitedHealthcare network the same way; they get paid every time you see them, or get a covered service from them. We never hold back payments to our providers for giving too much service.

Primary Care Physician.

As a UnitedHealthcare Community Plan member, you need to choose a Primary Care Physician (PCP). If you need help choosing a physician, just call Member Services at **1-800-587-5187, TTY 711**. Member Services is open from Monday – Friday 8:00 a.m. to 6:00 p.m. When you call, always make sure you have your UnitedHealthcare identification number ready. The number is written on the front of your identification card.

How to Read Your Directory

This is your UnitedHealthcare Directory of Home and Community Based Service Providers. You will find information about each one of the healthcare providers in our network.

All Home and Community Based Service Providers are listed in order by name and by the town in which they are located.

At the back of your Provider Directory, there is an index of all the UnitedHealthcare providers you can use to get care. They are in order by name. You can use this index to help you find a certain provider quickly.

If you have any questions about how to read your Provider Directory, or if there is any information you do not understand, please call Member Services at **1-800-587-5187, TTY 711**. Member Services is available Monday to Friday 8:00 a.m. to 6:00 p.m. We will be happy to answer any of your questions.

Here Is Some Information to Note as You Read the Directory

Handicap accessible.

Offices that are handicap accessible are footnoted with a wheelchair symbol after the provider's name. This means the office has special ramps and wide doors for wheelchairs. A provider's office may be handicap accessible even if it is not marked in this directory. You can always call the provider to ask if the office is handicap accessible. Our providers tell us if their office is handicap accessible when they join UnitedHealthcare. The information is also provided to us at least every three years. We do not check this information to make sure it's right — we take the provider's word that the information is accurate (true). UnitedHealthcare updates this information if the provider gives us new information or changes.

Foreign language.

Physicians or health care providers who speak and/or have someone in the office who speaks a foreign language have a language code under their name. A complete listing of these codes can be found in the index pages in the back of this directory. Our providers tell us their name, gender, and the languages they speak when they join UnitedHealthcare. We do not check this information to make sure it's right — we take the provider's word that the information is accurate (true). We also check this information at least every three years to make sure it is still true. UnitedHealthcare updates this information if the provider gives us new information or changes.

You can also have an interpreter go to a medical appointment with you. Call Member Services at **1-800-587-5187, TTY 711**, to ask for an interpreter. Please call us 72 hours in advance of your appointment for a Language Interpreter. For Sign Language Interpreter, please call us 14 days in advance of your appointment. We will do our best to help coordinate an interpreter for your appointment.

If you would like to know which medical school the provider went to or if you would like to know about the provider's other professional experience (where the provider completed his/her training or what type of certifications the provider has), go to **www.abms.org** and click on the section for "consumers." Here, you will also find a description of the provider's specialty. For example, a provider whose specialty is "Obstetrics" is trained to deliver babies. You can also call Member Services at **1-800-587-5187, TTY 711**, to learn more about the providers in our network.

Introducción

Información importante sobre su Directorio de Proveedores

Verifique siempre el aval de su proveedor.

El directorio de proveedores contiene una lista de los proveedores de Servicios Basados en el Hogar y la Comunidad de nuestra red que usted puede usar para obtener atención médica. El directorio de proveedores es vigente a la fecha en la portada, pero el hecho de que un profesional médico aparezca en el directorio no garantiza que siga siendo participante con nosotros.

Hemos hecho todo esfuerzo posible por asegurar una lista correcta, pero pueden ocurrir errores con un directorio de este tamaño. Verifique siempre si su proveedor acepta UnitedHealthcare antes de obtener atención médica llamando a Servicios para Miembros al **1-800-587-5187, TTY 711**. Servicios para Miembros se encuentra disponible de lunes a viernes de las 8:00 a.m. a las 6:00 p.m. Nos complacerá ayudarle.

Los proveedores de Servicios Basados en el Hogar y la Comunidad que aparecen en la lista son contratistas independientes y no trabajan para UnitedHealthcare. UnitedHealthcare paga a sus proveedores de Servicios Basados en el Hogar y la Comunidad cada vez que ellos atienden a uno de nuestros miembros y brindan un servicio cubierto. Esto se conoce como “Pago por servicio”. Pagamos a hospitales de UnitedHealthcare y a los otros tipos de proveedores de la red de UnitedHealthcare de la misma manera, a ellos se les paga cada vez que usted los visita o recibe un servicio cubierto de ellos. Nunca retenemos pagos a nuestros proveedores debido a que le brindan demasiados servicios.

Médicos de atención primaria.

Como afiliado a UnitedHealthcare Community Plan, es necesario que elija a un Médico de atención primaria (PCP). Si necesita ayuda para elegir un médico, simplemente llame a Servicios para Miembros al **1-800-587-5187, TTY 711**. Servicios para Miembros está abierto de lunes a viernes de las 8:00 a.m. a las 6:00 p.m. Cuando llame, asegúrese siempre de tener listo su número de identificación de UnitedHealthcare. El número está escrito en la parte del frente de su tarjeta de identificación.

Cómo leer su directorio

Éste es su Directorio de proveedores de Servicios Basados en el Hogar y la Comunidad de UnitedHealthcare. Usted encontrará información sobre cada uno de los proveedores de los cuidados de salud en nuestra red.

Todos los proveedores de Servicios Basados en el Hogar y la Comunidad aparecen organizados por nombre y la ciudad en el que están localizados.

En la parte posterior del Directorio de proveedores hay un índice de todos los proveedores de UnitedHealthcare que puede usar para obtener atención médica. Están organizados por nombre. Usted puede usar este índice para ayudarle a encontrar a cierto proveedor rápidamente.

Si tiene preguntas sobre cómo leer su Directorio de proveedores o si hay alguna información que no entienda, llame a Servicios para Miembros al **1-800-587-5187, TTY 711**. Servicios para Miembros se encuentra disponible de lunes a viernes de las 8:00 a.m. a las 6:00 p.m. Nos alegrará contestar cualquiera de sus preguntas.

La siguiente es información que querrá notar mientras lee el directorio

Fácil acceso para personas discapacitadas.

Los consultorios que tienen fácil acceso para personas discapacitadas tienen una nota a pie de página con el símbolo de una silla de ruedas después del nombre del proveedor. Esto significa que el consultorio tiene rampas especiales y puertas anchas para sillas de ruedas. El consultorio de un proveedor puede tener fácil acceso para personas discapacitadas incluso si no está marcado en este directorio. Usted puede llamar al proveedor para preguntar si el consultorio tiene fácil acceso para las personas discapacitadas. Nuestros proveedores nos informan si su consultorio tiene fácil acceso para personas discapacitadas cuando se afilian a UnitedHealthcare. Esta información también se nos provee por lo menos cada tres años. No verificamos esta información para asegurar que sea correcta — aceptamos la palabra del proveedor de que la información es exacta (verdadera). UnitedHealthcare actualiza esta información si el proveedor nos da información nueva o cambios.

Idioma extranjero.

Los médicos o proveedores de atención médica que hablan y/o tienen a alguien en el consultorio que habla un idioma extranjero tienen un código de idioma debajo del nombre. Usted puede encontrar un listado completo de estos códigos en el índice en la parte posterior de este libro.

Nuestros proveedores nos dan su nombre, sexo y los idiomas que hablan cuando se afilian a UnitedHealthcare. No verificamos esta información para asegurar que sea correcta — aceptamos la palabra del proveedor de que la información es exacta (verdadera). Además verificamos esta información al menos cada tres años para asegurarnos de que siga siendo verdadera. UnitedHealthcare actualiza esta información si el proveedor nos da información nueva o cambios.

También puede hacer que un intérprete vaya a una cita médica con usted. Llame a Servicios para Miembros al **1-800-587-5187, TTY 711**, para pedir un intérprete. Por favor llámenos con 72 horas antes de su cita para un intérprete de idiomas. Para un intérprete de lenguaje de señas, por favor llámenos 14 días antes de su cita. Haremos todo lo posible para coordinar los servicios de un intérprete para su cita.

Si usted quiere saber a qué universidad de medicina fue el proveedor o si desea saber sobre otra experiencia profesional del proveedor (donde el proveedor terminó su capacitación o qué tipo de certificaciones tiene), vaya a **www.abms.org** y haga clic en la sección de “consumidores”. Aquí usted también puede encontrar una descripción de la especialidad del proveedor. Por ejemplo, un proveedor cuya especialidad es “obstetricia” está capacitado para asistir partos. También puede llamar a Servicios para Miembros al **1-800-587-5187, TTY 711**, para obtener más información sobre los proveedores de nuestra red.
